

ADMISSIONS INFORMATION

EXCEPTIONAL QUALITY

Trillium Health Centre's interim long term care unit in the McCall Centre provides superior quality, resident-oriented, cost-effective health care services. Dignity and respect characterize our philosophy of care.

We implement rigorous standards that we regularly assess and update to ensure they meet our residents' physical, spiritual, social, emotional and intellectual needs.

For more information regarding admissions, contact the Community Care Access Centre of Mississauga Halton at (905) 855-9090 or 1 (800) 810-0000.

Interim Long Term Care at McCall Centre

Delivering exceptional care, programs and services that support quality of life

INTERIM LONG TERM CARE

Trillium Health Centre is providing rooms for interim long term care at the McCall Centre, located on the grounds of Trillium – West Toronto.

The interim rooms have been authorized in the province for access by eligible clients currently in acute care awaiting long term placement. The Community Care Access Centre (CCAC) of Mississauga Halton will determine eligibility for admission.

ABOUT MCCALL CENTRE

The McCall Centre provides a full range of professional services including medical, nursing, recreation, physiotherapy, chaplaincy, social services, housekeeping services, a dietary department that prepares patients' meals, and a laundry department that processes all bed linen and patient's personal clothing.

Trillium's management partner for the McCall Centre, Extendicare Canada Inc., provides residents with exceptional care and support.

ABOUT THE ROOMS

The interim long term care rooms will be home to 21 residents. Single and double rooms are available. The unit is located on the second floor and is small enough to be intimate but large enough to provide a range of programs and services.

Residents are encouraged to bring small items such as bedspreads, pictures, and their favourite furniture to personalize their rooms.

QUALITY OF LIFE

To enhance the quality of life for each resident, our approach to care is one that combines input from residents and family members with individual assessments from trained caregivers.

Our team includes registered nurses; registered practical nurses; health care aids; activity and therapy staff; a social worker; and dietary and environmental staff to care for our residents. An experienced administrative team supports our health care staff.

SAFE AND SECURE ENVIRONMENT

Our home environment is safe and secure, with heat and smoke detectors, sprinklers, a fire alarm system, and call bells at each bed, in each washroom, and all tub rooms.

AMENITIES

Our unit has access to:

- A bright and spacious beauty salon
- A celebration dining room for private family functions
- An exterior courtyard

PROGRAMS AND SERVICES

Our programs and services include:

- Comprehensive and restorative therapy programs
- Outings to points of interest
- Spiritual services (multi-denominational)
- A variety of recreational and therapeutic programs
